

Lately I Like Lizards

(Listen for the Consonant L)

Larry is my brother.
He teases me a lot.
Larry doesn't like lizards,
But I think that I forgot.

Lately I catch lizards.
I leave them at his door.
He says for me to stop it,
But I only leave him more.

Lately I like lizards.
They're really lots of fun.
If I list why I like lizards,
"Larry doesn't" is number one.
